2. Types of Families Nuclear family - is the most basic family form and is made up of a married couple and their biological or adopted children. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 72 Senior High School Department Understanding Culture, Society, and Politics Reference: o Understanding Culture, Society, and Politics Reference: o Understanding Culture, Society, and Politics Reference: o Understanding Culture, Society, and Politics Pp.112-114 Lesson 6 The Mass Media and Society especially young people Analyze the dynamic relationship between mass media and other social institutions. Discuss the transformation of mass media in the age of globalization and Internet STARTRA CTIVITY Activity 1:

Do a survey on the use of Internet by the students in Sunday school, an initiation to an organization, attendance in Sunday school, an initiation to an organization, attendance in Sunday school, activities parties, and acquainting in immigrant to significant aspects of life in his or new country. Each society in the world has a set of words used to refer to relatives called kinship terminology. Police found five charred bodies in the ruins. Hence, many Filipino families will sacrifice anything for their children to finish a college degree. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 32 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2: Answer the following questions. Since culture is shared within exclusive domains of social relations, societies operate differently from each other leading to cultural variations. Although linked, and globalization are different phenomena rather than interchangeable terms (Scott 2000). However, it is not simple process of transmission. Charles to other similar denominations. One buys the lifestyle associated with the product. Police found twenty-five bodies, along with the remains of the devices that had initiated the fires and the pistol u

Does religion influence your choice of friends? DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 69 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2: 1. Designate a group leader who will facilitate the discussion, a documenter who will present the main points of the group discussion to the class. When one, for instance, sees the logo or Apple or IPhone one immediately equates it with "luxury" and durability. Societies are, qualitatively different from one another, such that each one has its own "unique inner logic" (Eriksen 2001: 14). DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 30 Senior High School Department Understanding Culture, Society, and Politics TASK TO DO Activity4. Having knowledge of 'high art," for example, will give the children of the middle class a huge advantage in art and humanities classes. Why the Definition of Family Matters In social science discourse, the concept of the family is politically and culturally contested ideas about the correct or moral ways in which people should conduct their lives, and the people with whom they should conduct them. An ethnocentric attitude can be an obstacle to understanding each other culture and foster tensions within or between societies. Endogamy - is the practice of marrying within a specific ethnic group, rejecting others on such a basis as being unsuitable for marriage or for other close personal relationships. How will you explain these differences based on the lesson? How many social networks do they have (Facebook, Twitter, Wattpad, etc.)?

ABSTRACTION and DISCUSSION Caste Caste system as a system of social stratification differs from class in its rigidity and in the basis of legitimation. Multiculturalism in the Philippines is still an ongoing process, and its advancement is largely dependent on government initiatives and policies. STARTER ACTIVITY Activity 1. A society's idea of a good life will not likely be shared by another society that interprets the notion of "good" from a sharply different social perspective. Do all Filipinos share the same traits? What are your plans? Each group will choose a leader and a secretary to consolidate their answers on a table similar to what is shown below. Reference: o Understanding Culture, Society, and Politics, Pp.116-132 Lesson 7 Politics, Power, and Society Learning Outcomes (Objectives) Explain the nature of politics and political organizations. Trace and track down kinship ties and social networks in relation to political power. Describe the organized nature of social life and rules governing behavior STARTER ACTIVITY Activity 1: Ask your parents on what they consider to be an ideal politician in terms of character, religious views, values, and educational background. Sociobiologists have found this Narrative-Story line of reasoning appealing. Berger (1999) briefly summarized the thesis of secularism: "Modernization drastically replaces tradition with science-based knowledge. Explain the statement below. 235). Multiculturalism entails the establishment of political groups and institutions comprised of people and knowledge across national borders. Multiculturalism – is an ideology that acknowledges and promotes cultural diversity within society. Ask them to do the following: 1. She can utilize that symbolic capital to run for political office. Adamson Hoebel conscious and unconscious conditioning process whereby a person, as a child and adult, achieves competence in his or her culture, internalizes it and becomes thoroughly enculturated." Melville Herskovits further clarifies the enculturation process by saying that in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the conscious stage during his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages of human growth, the individual unconsciously internalizes his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but in the early stages his or her culture; but i of society from ignorance and false beliefs. The mainstream religion often distances itself from folk religion while tolerating its practices and beliefs. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 39 Senior High School Department Understanding Culture, Society, and Politics One of these dark truths about the family is the increasing case of domestic violence. Because women are mothers and expected to feed the infants, since women are associated with, and indeed, are more or less confined to the domestic context, they are identified with this lower order of social/cultural organization. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 21 Senior High School Department Understanding Culture, Society, and Politics ABSTRACTION and DISCUSSION The Concept of Society as an Objective Reality Society as an Objective Reality Society as an Objective Reality Society. bond or interaction between parties that are friendly, or at least civil. This view advocates respectful view of the uniqueness and distinctness of other cultures, and encourages individuals and societies to quard against ethnocentric views, as these are significant threats to cultural diversity and social stability. It is an 'in here' phenomenon too, influencing intimate and personal aspects of our lives. Mass media is a powerful tool to disseminating stereotypes especially about women. Interpretations of other's behavior, especially about women, are examples of nonmaterial dimensions of culture. Crime refers to the violation of the law. To study them is to take a closer and more meaningful look into our own lives and the larger forces that shape our community and nation. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 91 Senior High School Department Understanding Culture, Society, and Politics References: o Understanding Culture, Society, and Politics, Pp.158-165 Lesson 2 Socialization and Assertion of Agency Learning Outcomes (Objectives) Identify the norms and values to be observed in interacting with others in society, and the consequences of ignoring these rules. How much time do they spend for Internet per day? In his famous essay on "the Future Results of British Rule in India," Karl Marx characterized the Indian castes as the most decisive impediment to India's progress and power." Marx correctly argued that the caste system of India was based on the hereditary division of labor, which was inseparably linked with the unchanging technological base and subsistence economy of the Indian village community. Pinpoint! DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 5 Senior High School Department Understanding Culture, society, and politics. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 6 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2. Specifically, it aims to help students determine how people identify and acquire DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 25 Senior High School Department Understanding Culture, Society, and Politics norms and values that define their interaction, appreciate the role of innovation in response to problems and challenges, recognize the value of upholding human rights and promoting the common good. Those who own and monopolize the means of production in the classic Marxist analysis, under capitalism, are called the bourgeoisie or the capitalism, are called the bourgeoisie or the capitalism. denominations takes place through the childbirth. Traditional Legitimacy- is the kind of moral authority that keeps society together by virtue of custom and habit. How do they know that a religious feast requires these activities? The proletariat and the bourgeoisie, however, are not just aggregates of individuals who share the same class interests. Using the concepts learned in this lesson, explain their reactions. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 94 Senior High School Department Understanding Culture, Society, and Politics The functions of deviance (Macionis 2012: 197). According to Emile Durkheim (1858-1917), deviance performs the following functions: affirms cultural norms and values. In other words, only trough media images that people have access to the world and reality at large. Once people are freed from the bondage of the land, once the free peasants migrate to urban centers and begin to work in factories, they develop a different way of life, a different worldview. Was there an instance when you did what you shouldn't as prescribed by "authorities"? DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. What have I learned from the person I interviewed? Xenocentrism - it is the tendency of some societies to consider their culture as inferior to others. Mass Media and Knowledge Production Media as a Tool for Propaganda Aside from reinforcing existing social stereotypes and prejudices, mass media is also a powerful tool in disseminating certain political ideas. It is from our families that we Filipinos naturally draw our sense of self-identity. McGuire (1986) noted several of the most commonly mentioned intended media effects of political campaigns on voting, (c) the effects of public service announcements (PSAs) on the personal behavior and social improvement, (d) the effects of media ritual on social control. Clothes, music, and food are examples of material things that comprise one's culture for example. Mass media, therefore, is powerful in sharping not only the attitude and perception of people about women but also more importantly the minds of young girls. Extended families - are families that include the other members of the kinship such as your uncles, grandparents, and cousins. Experts on the family, therefore, agree that "there is no single correct definition of what family is" (Fine 1993, p. Anthropology - is the systematic study of the biological, cultural, and social aspects of man. This is called McDonaldization is concerned with relationships among and between individual countries, and 'presupposes the nation state as the essential unit' (Marginson 1999). -Integration - or the harmonization of the entire society to achieve consensus. Female employment was estimated at 13.3 million compared to 21.3 million males. APPLICATION of LEARNING Activity 3: Give you insights regarding the statement below. Identify each whether it is imported or not. The results of the plebiscite, held in 1937, yielded more than 400, 000 votes in favor of women's suffrage. There is a lack of consensus in society regarding which behaviors or traits are deviant. Women, traditionally, have been considered by many cultures as closer to nature because of their DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 89 Senior High School Department Understanding Culture, Society, and Politics biological nature. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 23 Senior High School Department Understanding Culture, Society, and Politics APPLICATION of LEARNING Activity 3: Write an analysis of your family using Parson's AGIL Scheme. The Family The family is the primary agent of socialization of an individual upon birth throughout infancy, and up to childhood. Are sexual roles merely products of biology and anatomy? Bourdieu (1984) described social capital as "the aggregate of the actual or potential resources which are linked to possession o a durable network of more or less institutionalized relationships of mutual acquaintance and recognition." Symbolic Capital- refers to the acquisition of a reputation for competence and an image of respectability and honorability.

b. The mass media, through the influence of large advertising companies, generate images called "spectacle" by the French sociologist, Guy Debord. The key in the previous statement is the word 'worldwide'. In some situations, human beings fail to be socialized owing to the absence of parental or surrogate caregivers. There can be no good without evil and no justice without crime. Police found twentythree bodies in a room that had been converted into a temple.

groups. The problem of explaining how societies manage to exist over a long period of time is called reproduction by French philosopher and sociologist, Louis Althusser. Is your straight friend accepting or does he or she reject this explanation? It is also good example of how political and social changes have transformed Filipino women's identities. The church includes everybody or virtually everybody in a society. 3. clarifies moral boundaries. Education provides much needed capital to climb the economic ladder. When a man is married to more than one husband at a time, it is called polyandry. Schools Schools have a critical and active role in socialization, as their various academic and social activities mold students' DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 28 Senior High School Department Understanding Culture, Society, and Politics beliefs, values, and attitudes. This means institutions like family and school, which mediate belief systems and values between an older generation and its successor. Major Factors that leads to dissolution of Marriage DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 40 Senior High School Department Understanding Culture, Society, and the successor is a successor. Major Factors that leads to dissolution of Marriage DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. which it is constituted" (Bourdieu 1977). DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 86 Senior High School Department Understanding Culture, Society, and Politics References: o Understanding Culture, Society References: o Understanding Culture

community. Second-hand clothing markets are popular in these countries. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 90 Senior High School Department Understanding Culture, Society, and Politics TASK TO DO Ask a "straight" friend how does he or she will react to the story of your friend. If this competing group manages well in exposing and opposing an existing government authority, the latter gradually loses his or her mandate or legitimacy. Furthermore, it is a process that helps individuals become functional members of society. This means that events are happening on a global scale that affects national school systems. Some sociologists even contend that its process, business outsourcing, and standardization have become the rule for DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 77 Senior High School Department Understanding Culture, Society, and Politics making things efficient. As Giddens argues, "Globalization isn't only about what is 'out there,' remote and far away from the individual. Beliefs and rituals are usually shared by people belonging to a definite religious community. Consequently, the campaign for women's suffrage gained ground in the 1930s. In other words, education reproduces social and economic inequalities along racial, gender, and class division of labor. Therefore, the sect and the larger society may harbor mutual suspicions toward each other. Hence, globalization promotes syncretism or the mixing of different religious and cultural beliefs and practices. The process of learning these skills and social roles is called socialization. How do we ensure our right to social services? Among the advantages and disadvantages, which is the most convincing? People can only accept and adapt technologies if they have corresponding changes in their cultural values and attitudes.

ABSTRACTION and DISCUSSION Modernization from the story as an explanation of social

change promotes western cultural values, such as individualism and rationalism, and does not only introduce new technologies from the West. These groups are called participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to our participants or agents of socialization and enculturation, and consist of persons, groups, and institutions that teach people essential knowledge to our participants or called participants or our extended family (tiya and tiyuhin, inaanak (children) are culturally and emotionally significant to us who treasure filial attachment not only to our extended family (tiya and tiyuhin, inaanak, lolo, and lola). terms physician, schoolteacher, janitor, professional athlete, and criminal all refer to recognized sets of persons. Sociology – is defined by Anthony Giddens as "the study of human social life, groups, and society." It is an academic discipline that attempts to provide a deeper assessment of the individual and group behavior, as well as social phenomena, by examining the interplay between economic, political, and social factors.

3. Let her or him explain why. Individuals whi have invested in education and job training often have more job stability, have improved health, are more likley to receive employer-provided helath insurance and pension benefits, are more inclined to vote, and have generally increased social and cultural capital that often enables upward mobility. According to the renowned American anthropologist Margaret DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 27 Senior High School Department Understanding Culture, Society, and Politics Mead, one must undergo a process of learning a culture "in all its uniqueness and particularity." Meanwhile, E.

2. People interact in society as individuals and as groups with duties and privileges.

2. People interact in society as individuals and as groups with duties and privileges.

2. By having a peer group, a child attains a sense of belonging and a shared identity with other members of the group because of mutual support, shared activities, and common interests. In this regard, scholars are also studying whether this globalization process that produced multiple modernities is also producing a common global culture or hybridization. Today, however, many experts who study the family raise doubts about its future. Sects tend to depict society as a place full of dangers and moral and religious decay. bring people together. Each constitutes a social position. No society can endure over time if it does not support its very own reproduction. Ask the teacher to share with you the most influential people in his or her life. A good example is the resurgence of "born again" Christianity that recruits members by asking them to accept Jesus Christ in their lives. For Marx, class refers to relations among people who share the same class interests in relation to the means of production. The historical constructions of human activity are viewed from a vantage point that, in its own self-definition, transcends both history and man. In other words, each society has a different yardstick in appreciating the value of its own cultural trait. Which team based their arguments on emotions or opinions? Societies enable individuals to acquire necessary survival skills, maximize their potential, and share resources. government's capacity to use public interest as the rationale for establishing and enforcing law and order. This definition is often found in government census' definition of the family. Functionalism defines culture as a whole that provides an overaching system of meanings to what people do. 2005. As you learn the concepts, theories, and view that shaped and defined how we view and examine the various aspects of Philippine culture, society, and politics, you will realize that these topics have been closely intertwined with our experiences. If I really love my partner, I will marry by converting to my partner's religion: Muslim \_\_\_\_ Yes \_\_\_ No Atheist \_\_\_ Yes \_\_\_ No Satanist No Explain your answer for each category. In the case of the Philippines, one scholar observed that "religious influence are so pervasive in Asia that secularization often means not a rejection of decadent clergy who have become exploitative, rigidly formalist, and standing in the way of genuine spiritual development." Originally, however, secularization in the Philippines meant merely "nationalizing" the Catholic Church by replacing the friars with native secular priests. Mass Media and Gender Stereotypes DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 75 Senior High School Department Understanding Culture, Society, and Politics Another pervasive influence of mass media is the acquisition of stereotypes. With the rapid and accelerated movement of people, culture, and information across national borders, religious ideas also rapidly transfer from one place to another. Religion declines because the previously accepted religious symbols, doctrines and institutions lose their prestige and significance, culminating in a society without religion. Include the following questions: Is it helpful or destructive to young people? What is local and what is imported? With these fields, there are contending views and specific ideas regarding the study of culture, politics, and society That is, the person you are right now will be continuous with the person many years from now, no matter how your physical characteristics have changed. People will tend to be traditional and the development of individualism will be difficult as a result of the strong collective orientation of the people. Filipinos, for example, believe in the value of education that they are willing to sacrifice everything just to finish college. 2nd ed. Unlike the sect, the church tends to be oriented toward compromises with the prevailing culture and the moment they were born. socio-economic class c. How do we achieve good governance? (Kottack 2008). A literal meaning of ethnocentrism is the regard that one's own culture and society is the center of everything DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 15 Senior High School Department Understanding Culture, Society, and Politics and therefore far more superior than others (Kottak 2012: 39; Eriksen 2001:7). Charismatic Legitimacy- the seizure of power is often initiated by a leader, who questions traditional authority, brings together and leads followers to oust the old regime and bring forth a new one. It is also called a closed system I contrast with the class system that is relatively open. If no, why not? Many religions and states viewed domestic violence as a personal and private matter. Write your answers in a graphic organizer. Hence, globalization necessitates the growing standardization of curriculum, DMMC INSTITUTE OF in the process of enculturation, as anthropologists would say, or socialization, as sociologists would explain. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 101 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2: 1. Physicians write prescriptions, school teachers lecture in classrooms, janitors sweep up, and so forth. In this classic textbook on the sociology of education, Bowles and Gintis argued that education 3, Tanauan City 54 Senior High School Department influence the patterns of action and behavior of its members. In the assimilationist paradigm, education was used by the nation-state to force individuals to surrender their ethnic and cultural attachments in exchange for citizenship. In the 1960s, people who believe in UFOs and other forms of esoteric beliefs were considered as members of cults or occults. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 100 Senior High School Department Understanding Culture, Society, and Politics, Lesson 4 Culture Globalizing World and Society in the Learning Outcomes (Objectives) Explain the changes brought about by modernization while being critical of the Western-dominated definition of modernization is able to widen the cultural horizons of people around the world STARTEF ACTIVITY Activity 1: List down the things you use daily, from food, shampoo to school supplies, music, and TV programs. In modern as well as in feudal societies, social class is based on the relationship between property ownership and dispossession. Religion is reduced to just one of the many sources of ultimate meaning. 2008. What kinds of APPLICATION of LEARNING Activity 3: How does one's economic status shape and influence one's identity? There are various signifiers of class, namely, status, lifestyle, and distinction, but in the last instance, what determines class is its economic basis. Present the group work to the class. and then discuss: Why do you think Temple? Sociobiologists are sociologists who argue that the social interactions of human beings are rooted in biological evolution and adaption. The problem is when a person or groups of people regard their own society's set of cultural values as the only agreeable, acceptable, and highly respectable set of convictions. ABSTRACTION and DISCUSSION Defining Marriage Human marriage is a socio-sexual institution, a part of the wider institution, a part of the wider institution, a part of the wider institution, a part of the family. Some Filipinos share the perception that some aspects of Philippine cultures, particularly those of our former colonizers. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 73 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2: After conducting a survey, the whole class will be instructed to write the summary of their findings where the following guestions are answered: 1. Do they belong to the punk, emos, heavy metal, hip-hop, or gangster? This view challenges the idea of the nation-state and the advancement of nationalist and ultranationalist policies. Process Questions 1. On October 4, a fire in Morin Heights, Canada destroyed the villa of Joseph Di Mambro, the group's primary leader. Bourdieu, studying the French educational system, showed empirically how education is advantageous to middle class children by teaching and rewarding behaviors that are generally expected from middle class families. In the case of Jacob in the Old Testament, a man marries several sisters. The modern period saw the scientists and scholars questioning the authenticity of "divine inspiration" of the Bible. TASK TO DO Interview the parents of your classmates on what they think about the ways young people use the mass media today. How does your family mobilize resources, set goals, integrate, and Politics, Pp. 37-44 o o o Lesson 2.2 Marriage Emerging and Family Issues and its Learning Outcomes (Objectives) Define marriage Discuss issues emerging on families Participate well in the class discussion STARTER ACTIVITY Activity 1: What are your views about marriage? However, when Filipino women became more educated either in the Philippines or abroad, they were enlightened about their rights, particularly suffrage or the right to vote.

DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 31 Senior High School Department Understanding Culture, Society, and Politics References: o o o o o o o o Understanding Culture Society and Politics C3%B4nes-des-m %C3%A9dias-mis-en.html Lesson 2 The Family Today: Declining or Changing? -is used to describe a level of organization of groups that is relatively self-contained. Responding cultural change - to to social, political, and Inclusive Citizenship and participatory governance New forms of media and social networking Social movements. Why should I read this? El Shaddai has grown rapidly in the last decade and, as 2005, had a eported 8 million members worldwide. Young women are usually seen as obsessed with their skin and hair. This is especially true when one considers the pervasive presence of Internet-mediated technology in the lives of young people. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 68 Senior High School Department Understanding Culture, Society, and Politics, Pp.99-101 Lesson 5.3 The Rise of Ukay-Ukay or WagWagan market Learning Outcomes (Objectives) Describe how human societies adapt to new challenges in the physical, social, and cultural environment Discuss economic globalization and managing risk in everyday life Participate well in class STARTER ACTIVITY Activity 1: Cut out or search for pictures of the things you may find in "Ukay-Ukay" then paste it below. What are the similarities and differences? The reason being that mass media permeates and mediates all forms of social life, not just politics. Marriage creates alliances and "fictive kinship" among members of clans and tribes. It also includes equipping the minds of the younger generation with the necessary critical skills to challenge and change the existing knowledge system and practices. What is the range of the stuffs in there? But definitely, the shrinking of the world into am small global village is making possible for people to share the same cultural beliefs and practices as in the case of the millennials or people who belong to the so-called Generation Y. Prejudices are prejudgments, or opinions that people have before knowing the fill circumstances about a person or an event. (Emile Durkheim, founding father of French Sociology) The objectivity of society extends to all its constituent elements. According to MacIver and Page, "it is a web of social relationship, which is always changing." Social, Cultural, and Political Change The concept of identity is related to social, cultural, and political change. Today, Pentecostalism is very much alive in Latin America and Africa where social inequality and poverty are also widespread. Which group presented a more organized and correct arguments Eye contact Audience awareness Total: (7 pts.) (3 pts.) (3 pts.) (7 pts.) pts.) (5 pts.) 25 pts. In effect, people have often blamed the mass media for shaping the violent behavior of children. Should we expect societies around the world to practice the same set of cultural values and traits? In an age of society as spectacle or media images around the world to practice the same set of cultural values and traits? In an age of society as spectacle, a term coined by Guy Debord (1931-1994), a French artist and social critic, spectacle or media images around the world to practice the same set of cultural values and traits? In an age of society as spectacle, a term coined by Guy Debord (1931-1994), a French artist and social critic, spectacle or media images around the world to practice the same set of cultural values and traits? In an age of society as spectacle or media images around the world to practice the same set of cultural values and traits? dominate politics in modern societies. The suffragist movement is said to be the precursor of current rights that Filipino women enjoy. Power and Authority Political conflicts take place when power is not wielded properly or in the right way. Identity can also be influenced by other factors such as sexual orientation and gender (male, female, transgenders, transsexuals, intersex, gender queers) and nationality (Filipino, Japanese, French, etc.) DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 7 Senior High School Department Understanding Culture, Society, and Politics Culture, which is loosely defined as a society's way of life, provides the basis for forging identities. Are there similarities between your experiences and observations and those of your classmates? While the Filipino language is mainly based on Tagalog, its main proponents strive to include words from foreign and local languages. Deviant people suggest alternatives to the status quo and encouraging change Why do they celebrate religious feasts? Cultural capital is acquired in the family from which one belongs. McDonald's is, thus, a cultural ambassador for Americanization and global capitalism, promoting the commodity spectacle and its consumer culture throughout the world. Beliefs, religion, rituals, myths, dances, performances, music, artworks, sense of taste, education, innovations, identity, ethnicity, and so on, are meaningful, human expressions of what people do and how they act. These forms of capital constitute the resources of a person's habitus, which refers to the personal psychological dispositions of a person that are shaped by these forms of capital and family background, while also modifying them in light of engagement with the social world. Three had been stabbed to death before the fire. In most class system, education contributes to economic development not only by producing well-informed citizens but also by amplifying human capital or the Polarita or the potential of the laborers to improve the quality of their work. Two hours later, three chalets inhabited by members of the Solar temple caught fire almost simultaneously at Les Granges sur Salvan, in the Valai Canton. An individual encounter these agents or participants throughout his or her life. The definition of family will vary according to one's personal experience, cultural background, sexual orientation, and moral outlook.

their role in socialization Identify how agents of socialization shaped their individual identities Introduction This lesson focuses on how individuals learn about culture and become members of society. The El Shaddai, a Philippines-based Catholic Charismatic religious group, was founded by Mariano "Mike" Velarde (born in August 20, 1939), better

Reference: o Understanding Culture, Society, and Politics, Pp.28-35 o o o Lesson 1.2 Becoming a Member of Society Learning Outcomes (Objectives) Explain the development of one's self and others as a product of socialization Identify examples of agents of socialization and describe

ABSTRACTION and DISCUSSION DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 98 Senior High

known as Bro. Are they all in good conditions? How will you explain their reactions? The developing countries supply raw materials and cheap labor for assembly; the developed countries consume at low prices and then dispose of the garments to buy more products at cheap prices in the latest fashion. It may occur between generations (as when a girl born into a working-class family achieve a middle-class occupation) or be the ups-and-downs of an individual career." Social and political stratification - Social desirables Social mobility system Social inequality 8. Immersed in computer-mediated technologies, people's relationships and forms of interaction around the world increasingly have become unconstrained by geography and are no longer necessarily local or national in nature. Credentialism- refers to the common practice of relying on earned credentials when hiring staff or assigning social status rather than on actual skills. Sects often are breakaway groups from the Mainstream churches. Depending on the critical mass that the opposition is able to muster, government to people relation smooth and effective. In modern societies this means the movement of people between social classes is defined by occupational scales. The media process does not merely interact with the rest of society; it has a major impact on how the rest of society understands and imagines itself (Couldry 2000). Why? In anthropology, the terms monogamous families are applied regardless whether the state recognizes the union or not. What are the functions of religion in the society and in the individual? Legal Separation, on the other hand, is a decree that gives the husband and wife the right to live separately from each other, although they are not allowed by the law to remarry. It is the earliest form of communication between animals according to Mead. Scholars differ in their respective definitions of culture relative to the school of thought they belong. Then draw a schematic diagram depicting how the ingredients are pit together to produce the finished products. After reviewing the literature on cults, Gerry Lanuza (1999) provides a comprehensive definition of a cult: "a non-traditional form of religion, the doctrine of which is taken from diverse sources, either from nontraditional sources or local narratives of an amalgamation of both, whose members constitute either a loosely knit group or an exclusive group, which emphasizes the belief in the divine element within the individual and whose teachings are derived from either a real or legendary figure, the purpose of which is to aid the individual in the full realization of his or her spiritual powers and/or union with the Divine". The peatsoils of Riau, some of which are eight metres deep, have the highest concentration of carbon stored per hectare anywhere in the world. The symbol of McDonald's is equated with American way of lifeburger, fries, and fast foods. Violent behaviors are also commonly associated with watching movies and television. Recruitment takes place through the conscious individual choice. Have you ever tried converting to another religion? The development of the individual as a member of society is greatly influenced by the context of his or her respective society, and the social groups that he or she interacts with. Reference: o Understanding Culture, Society, and Politics, Pp.89-93 o o Lesson 5.1 The Economy, Society, and Cultural Change Lesson 5.1 The Economy as Foundation of Social Life Learning Outcomes (Objectives) Analyze economic organization and its impact on the lives of people in the society DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 60 Senior High School Department Understanding Culture, Society, and Politics Participate well in the class discussion STARTER ACTIVITY Activity 1: List down the words which are related to the word inside the box. Another notorious cult is the Branch Dravidians, at Waco, Texas. According to George Herbert Mead, an American sociologist and the father of soc things. TASK TO DO Activity 4: Given the basic problems of the Philippine educational system, such as shortages of classrooms, teachers, what concrete solutions can you suggest? However, stereotypes can also be a product of prejudices. In your municipality/city and the country, who determines what is moral and immoral, and what is legal and illegal? Make a short description what kind of family you have. APPLICATION of LEARNING Activity 3. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 97 Senior High School Department Understanding Culture, Society, and Politics ACTIVITY ANALYSIS Activity 2: 1. Sect The sect also perceives itself as a unique owner of the truth. Mediatization refers to the pervasive effects of the mass media on how people see and interpret social events. This is to illustrate the process of economic globalization. Neolocal residence rule fro married couple. People with higher income tend to have children who also have higher income. APPLICATION of LEARNING Activity 3: Why do societies create a boundary between normal and not normal, between what are acceptable behaviors and those that are condemned? Institutions, roles, and identities exist as objectively real phenomena in the social world, though they and this world are at the same time nothing but human sexuality in a particular society is experienced and apprehended as an objective reality. STARTER ACTIVITY Activity 1: Answer the following. These images or "spectacles," in turn, form a life of their own that pre-defines and determines the way people look at the world and interact with other people. It has been a common occurrence throughout recorded history. Religion legitimates social institutions by bestowing upon them an ultimately valid ontological status, that is, by locating them within a sacred and cosmic frame of reference. However, it constitutes a minority in a given society. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 18 Senior High School Department Understanding Culture, Society, and Politics 2. Criteria: Which team gathered more relevant facts? Once an individual has joined, the sect DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. DMMC INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 46 Senior High School Department Understanding Culture, Society, and Politics APPLICATION of LEARNING Activity 4: Something to Think About! Read the following excerpt people join cults like the Solar attitude towards such religious should tolerate religious groups members? Why do you think these people and events are important in what you have become now? -Ambilineal - the children can opt to claim lineage on either father or mother's family group. In addition, students learn the value of self-improvement and hard work through classroom activities and learning tasks which give them opportunities to apply their knowledge and skills. It is the cancellation of marriage as if it never happened. How does mass media shape the way we look at reality? Conflicts happen when authority is deemed as ineffective that constituents or followers can no longer put their confidence in an authority figure. Globalization of education tends to follow the assimilationist and liberal ideology that dominated the Western nations' project to create strong nation-states amidst the diverse cultures of their people. Social control encourages deviance or norm breaking. Increasing annulment rate The number of marriage annulment cases in the Philippines has risen by 40 percent in the last decade with at least 22 cases filed every day, according to a report by the Catholic bishops' new agency. ABSTRACTION and DISCUSSION Society and Culture Society - is a group of individuals sharing a common culture, geographical location, and government. In the exercise of duties and privileges, a person as a member of society engages in political activities. Deviance is needed to

think are the differences between play money and real money? Mass Media Mass media includes forms of communication such as books, magazines, newspapers, other print materials, radio, television, and movies. This view believes that not all cultural practices, traditions and views can be integrated, and the distinct cultures can harmoniously 2. gender b. ACTIVITY ANALYSIS Activity 2: DMM. INSTITUTE OF HEALTH SCIENCES #143 Narra St., Mt. View Subd., Poblacion 3, Tanauan City 57 Senior High School Department Understanding Culture, Society, and Politics How do education and globalization is connected/related? How a society defines deviance, who is branded as deviance, and the properties of culture as deviance, who is branded as deviance, and the properties of culture is learned to proper deviated by the control of the culture is learned to proper deviated by the culture is properties of culture is learned to proper deviated by the culture is deviated. The culture is deviated by the culture is deviated by the culture is deviated by the culture is deviated

ACTIVITY ANALYSIS Activity 2: In your opinion, what is the primary consideration of students in choosing a track? Share it to the class. While not formally established as an organization until 1974 in the wake of the Yom Kippur War, Gush Emunim sprang out of the conquests of the Six-Day War in 1967, encouraging Jewish Settlement of the land based on the belief that, according to the Torah, God gave it to the Jewish people. Cultural sensitivity - it advances awareness and acceptance of cultural differences but encourages critical stance in dealing with issues regarding diversity. "Citing several studies, he points out that the following images are associated with female Gen X youth: aggressive, expressive, unconventional, and liberated. At the end of the course, students should acquire ideas about human cultures, human agency, society and politics; recognize cultural relativism and social inclusiveness to overcome prejudices; and develop social and cultural competence to guide that for inclusiveness to overcome prejudices; and politics recognize cultural relativism and social and cultural competence to guide develop social and cultural competence to guide develop social and cultural competence to guide develop social and cultural competence to guide the female Gen X youth: aggressive, expressive, unconventional, and liberated. At the end of the course, students should acquire ideas about human cultures, human agency, society and politics; recognize cultural relativism and social and cultural competence to guide that, in the following images are associated with female Gen X youth: aggressive, expressive, unconventional, and liberated. At the end of the course, students should acquire ideas about human cultural competence to guide develop social and cultural competence to guide in dealing diversity. The first propagand is a female general students and social inclusiveness to guide and the "Society and Politics are female general students." At the end of the Citival Politics are female general students. The history

diverse public. While leaders of barangays and datus already existed in the social organization of the various regions in Luzon, Vizayas, and mIndanao before the Sapnish colonial ruel, this ophisticated system of organization was used by the Spanish colonizers against the colonized.
