The following war made it impossible to execute it. More than some facilities wanted to eradicate ourselves entirely. We tried to be broken here and there, and ended up tangle the reality terribly. Most of our Fanny and Unions have been erased, and the earth became twisted in an unknown world and the own reality divided into a thousand different directions. Some of these realities survived € "and eventually found solutions. Many of these, which I visited, though the terrible is not flying, themselves are very horrible themselves. Necrocy, a land devoid of conscious life, was the solution of a King Lich. Draconia was the result of the form of a chromatic dragon high council - a world enslaved by evil dragons. Malice and Tempest are realities that merge with bad astral worlds à € "hell and elementary plans, respectively. Faehaven is a little more peaceful, fused with the wild lands of the elves and Fey. However, the world where I want to rest my bones is Allia. I heard that chronomancers are responsible for saving this reality, and the world of men is still familiar. If I could command this not to fly to tkye me ... but the last
